

Benefits of IPA Membership

When a company joins the Innovative Payments Association, all of its employees are eligible to access the member benefits listed below.

1. **Members Only Website** – provides access to resources such as recordings of calls and events and members-only publications.
2. **Payments Update Newsletter** – a weekly newsletter bringing a curated feed of payments news tailored with AI to each subscriber’s interest.
3. **Government Update Newsletter** – a monthly newsletter featuring news about regulatory actions, federal bills, court cases, and other events relevant to payments.
4. **State Legislative Tracker** – a roundup of state legislation pertaining to payments. This is published on a monthly basis with a break when most legislatures are out of session.
5. **Weekly Government Relations Working Group Calls** – these calls happen on Monday morning to give a preview of the week ahead and cover current events.
6. **Monthly Government Relations Working Group Calls** – this is a longer, more in depth call to provide a forum to discuss regulatory issues and provide an update on the Association’s other activities.
7. **Financial Crimes Investigators Call** – this is a call for front line investigators at our member companies to share intelligence on active threats to the payments industry.
8. **Webinar Access** – the IPA holds regular webinars on topics pertaining to the payments industry that focus on regulatory issues, fraud prevention, and trends in the payments industry.
9. **Webinar Presentations** – the IPA likes to highlight the expertise and thought leadership of its members, and so offers members the opportunity to present on topics of their choice.
10. **Podcast Participation** – the IPA likes to highlight its members through its podcast and welcomes the opportunity to highlight expertise where a webinar is not the preferred option.
